Browser Support

Designed for:

- computers (desktop/laptop)
- tablets

Smaller devices such as smart phones will work but...

- Layout not optimized
- Some controls might be a little too small

chrome

Safari

Microsoft Edge

Browser Support

What about Firefox?

- Currently not supported*

* Camera feature does not work. If you don't need this feature and can rely on students uploading existing image files then it can be an option

Using the app in your own language

English

Greek

Swedish

* Being updated as we speak

Getting started

What if I didn't get an email?

Getting Started – What Next?

- You don't need to do anything just yet
- Over the next two sessions we will introduce the Educator Dashboard and the Student Experience
- Feel free to explore and try out the app*

* This will be easier after we have introduced it in the next session or when you have access to the associated training materials
